Chapter 3.1 Certified Professional Resources

3.1.1 Applicability of this chapter

This chapter applies to JSC and JSC field sites. Be aware that certified professional safety and health personnel exist at JSC, and use them effectively.

3.1.2 Description of Sub-element 3.1

JSC line organizations shall have access to Certified Safety Professionals (CSPs) to provide advice on safety matters and Certified Industrial Hygienists (CIHs) to provide advice on health matters. CSPs are available through the Safety and Test Operations Division. CIHs are available through the Occupational Health Branch.

3.1.3 Responsibilities for certified professional resources

- a. The *Safety and Test Operations Division* and the *Occupational Health Branch* are responsible for providing CSPs and CIHs to the Center.
- b. As a *line manager*, you are responsible for identifying CSPs and CIHs within your organizations and using available CSPs and CIHs as necessary to advise you on hazard controls in your work areas.
